Supporting Clients Across the Globe

White & Case is a leading global law firm with lawyers in 36 offices across 25 countries.

We advise on virtually every area of law that affects cross-border business and our knowledge, like our clients' interests, transcends geographic boundaries.

Whether in established or emerging markets our commitment is substantial, with dedicated on-the-ground knowledge and presence.

Our lawyers are an integral, often long-established part of the business community, giving clients access to local, English and US law capabilities plus a unique appreciation of the political, economic and geographic environments in which they operate.

At the same time, working between offices and cross-jurisdiction is second nature and we have the experience, infrastructure and processes in place to make it happen effortlessly.

We work with some of the world's most well-established and most respected companies—including two-thirds of the Global Fortune 100 and half of the Fortune 500—as well as start-up visionaries, governments and state-owned entities.
